

BAND-IT STAINLESS STEEL STRAPPING

Valustrap Plus

This strapping is .020 thick and is used when medium strength is needed for pipe covering and traffic signs. Use with Valuclips.

Package Qty. - 100ft. & 200ft. Rolls

C161 3/4" width x 100ft

C181 1/2" width x 100ft

C163 3/4" width x 200ft

C183 1/2" width x 200ft

Bandit-Band

Band-It Band is .030 thick in a range of widths, all stainless steel with a full round edge for larger signs. For extra strength, use a double wrap, threading the band through the buckle each time around. Order band and buckles of the same material and width.

Package Qty. - 100ft Roll

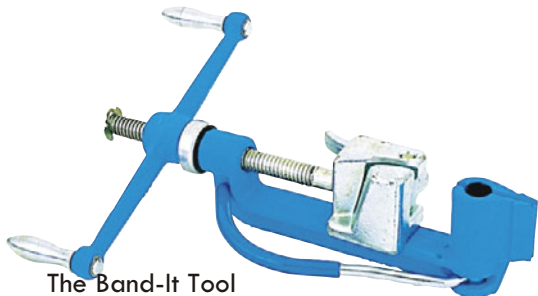

C202 1/4" width

C203 3/8" width

C204 1/2" width

C205 5/8" width

C206 3/4" width

The Band-It Tool

A drop forged electroplated tool with tensioning capability of over 2,400 pounds and built-in center. Used to apply Band-It Bands and Buckles, and strapping.

C254 1/2" width

C255 5/8" width

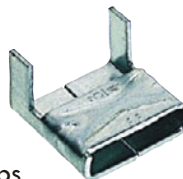

C256 3/4" width

Clamp-Pak

Make your own clamps, 2" to 38" in diameter, with the contents of this Clamp-Pak. Ten shrink-packed cards to a carton with hang-hole at top. Instructions are on the back side of the Clamp-Pak card.

M218 Clamp-Pak

Valuclips

Valuclips are reinforced with angle ribs for extra strength. For use with Valustrap, Valustrap Plus and 304 Strapping.

C153 3/8" width

C154 1/2" width

C155 5/8" width

C156 3/4" width

Sign Mounting Brack-Its

Band-It Sign Mounting Brack-Its are used to mount traffic signs securely with Band-It Band and Buckles, Valustrap, Valustrap Plus or Free-End clamps. These Brack-Its are reinforced with specially designed ribbing, for extra strength, to withstand stress and wind vibration. Brack-Its are available with or without bolts. The hex head bolts, with metal and fiber washer, require no nuts and are fully threaded to solidly anchor sign. Where conditions require, tamper proof rivets may be used with these Brack-Its.

Package Qty. - 50

D001 Straight Leg Brack-It
Stainless Steel with SS Bolt
Washer and Fiber Washer

D021 Flared Leg Brack-It
Stainless Steel with SS Bolt
and Washer

Scru-Seal Clamps

with Band-it Band

A screw driver is the only tool needed to tension these clamps. 3/8" wide stainless steel band is used single or double wrapped, cut as required from the 100' roll. Scru-Seal clamps with slotted hex can be used around objects as small as 2" in diameter. Instructions for use are on the back side of the carton.
