

SHANNON-BAUM SIGNS, INC.

Dear Customer:

We attribute our success since 1950 to the commitments we've made in serving all of our customer's needs. Our pledge is to provide the highest quality product while maintaining our standards for outstanding customer service and satisfaction.

As the largest traffic sign manufacturer in the area, we stand behind every product we sell. We hope you will find this catalog to be a quick and useful reference for all of your signage needs. We also offer services such as installation and delivery, and our in-house art department can accommodate your custom orders.

Our traffic signs are manufactured in accordance with the Manual on Uniform Traffic Control Devices (MUTCD). Reflective Signs are manufactured using 3M Brand Engineer Grade, Hi-Intensity, VIP Or LDP Diamond Grade sheeting. We also offer 3M's 10yr Warranty on Hi-Intensity products.
